BRUNSWICK

Ira Drake and daughter Pearl of
Medina spent Sunday here with Philo
Drake.

Carl and Edna Branch wish me to
make a correction in that Jim Hogue
ran into them when they had their ac-
cident.

Mrs. Frank Babcock entertained
the M. E. ladies' society on Wednes-
day and Mrs. E. E. Rise and Mrs.
Ethel Hawkins the Disciple ladies'

has been visiting here the past week.

Our teachers are attending the
teachers' institute in Medina this
week.

ville to stay over Sunday at Rev.
Gray's, and Letha Gibbs came back
with him.

We overlooked mentioning the birth
of a baby boy a couple weeks ago to
Bert and Bernice Kellar.

Helen Miner spent the past week in
Elyria visiting Mrs. Florence Rowley
O'Brien. On Sunday Mr. and Mrs.
O'Brien drove out here and stopped at
E. C. Miner's and Ralph Deuble's.

George Osterhouse and family of
Kamm's spent Sunday here at his
brother's.

George Pitkin and wife spent Sat-
urday and Sunday in Cleveland and
Dan Freese and wife kept house for
them.

Reginald Perkins was a very sick
boy over Sunday from eating some-
thing that poisoned him.

Rev. Peoples and wife spent a few
days in New Comerstown, but on ac-
count of the sickness of Mrs. Peoples
they had to come home Monday.

A first school reunion will be held
at Strong's Corners this Saturday.
They hope to make it a permanent
affair.

Eugene Williams spent Sunday in
Cleveland with his sister.

The rains we are having are doing
the farmer good, but it is stopping
the work on our brick road, and the
roads are not the best to have to go
around on the Tibbetts road with a
load.

Nearly two hundred attended the
S. S. picnic last Thursday at Ben-
nets Gulf and all seemed to enjoy it.
Sports were indulged in and three
prizes awarded the lucky ones.

The foundry part of Dunham's at
Berea, where Ruth Miner works was
burned down last week and they lost
about 512 patterns that were in the
moulds.

Over fifty attended the Thompson
reunion at F. F. Thompson's last Sat-
urday. Next year they will meet at
Ed Thompson's at Liverpool.

Burglars entered Perkins & Dide-
ker store and post office Tuesday
night. They took the pennies and
nickles out of the store register but
nothing seemed to be molested in the
post office. They broke a glass in
the front door and got in. Hayden
Morton was in the store in the even-
ing to take a load to Cleveland and
the other store men went in too, so it
is thought the burglars must have
been scared out. An auto track is
beside of the store and tracks from
it to the store door were traced.

Mrs. E. E. Waite of 432 W. 62nd
street Los Angeles, formerly of
Brunswick entertained at luncheon,
Wednesday, Aug. 26. Pink and cream
Maman Cochet roses formed a hand-
some centerpiece for the pretty, three
course luncheon. Covers were laid for
ten. Out of town guests were Mrs.
McIntire (formerly Miss Martha
Cowles of Brunswick) of Yuma, Ariz.,
and Miss Blanche Hogue of Barslow,
Calif. Among the other guests were
Mrs. D. D. Asher and Mrs. John
Ritchie of W. 78th street and Mrs.
Fred Usher of W. 61st street,
Los Angeles. Mrs. Ritchie and Mrs.
Waite entertained with solos, which
with reminiscences of Brunswick days
and the arrival of the Medina papers
made the afternoon pass pleasantly
and all too quickly. All voted Mrs.
Waite an ideal hostess.

All Brunswick schools begin Tues-
day, Sept. 8. The teachers for the
coming year are: High school—

riet Simmons, Ph. B.; W. C. Rhode,

PARCEL POST VS. MIDDLEMAN

Officials of the United States De-
partment of Agriculture have been
testing out the parcels post as a
means of marketing eggs and have
found it highly satisfactory. The De-
partment has shipped 466 lots, con-
sisting of 9,131 eggs to various parts
of the country, only .227 eggs, or three
and one-half per cent of the total

were broken. Ten dozen eggs can be
shipped in one container a distance of
150 miles at a cost of 4.7 cents per
dozen. This includes the cost of
transportation and container.

Ohio postal authorities advise that
the farmers and farmers' wives of
this state are utilizing the parcels
post extensively in selling farm pro-
duce direct to the consumers and ex-
cellent results have been obtained.

Last winter when eggs were being
sold by retailers at from 50 to 65
cents to the consumer the farmers
were only receiving 20 to 25 cents on
each dozen eggs he handled. The
parcel post system of marketing en-
tirely eliminates the middleman's profit
and divides the profit of the
middleman among the producer and
consumer.

NESS COLLEGE NEXT WEEK.**

look back upon the day they packed
their trunks and started for the Ober-
lin Business College as the begin-
ning of their successful careers.

This school, for years one of the
most thorough of its kind in the en-
tire country, has taken a long step in
advance in the erection of another
new building to accommodate its rap-
idly increasing attendance. This build-
ing will be opened to students for the
first time Sept. 8. Those who go to
Oberlin for business training get the
best the country affords.

FARM FACTS

There is not enough of the commu-
nity spirit among our rural districts.

The laws relating to business are
wholly unsuited to the transactions of
the farmer.

The waste of effort through imprac-
tical methods of farming is the greatest
tragedy of the age.

Something is wrong in our marketing
system when a small crop brings more
money than a bountiful one.

Co-operation between practical farm-
ers and proficient business men will
eliminate ignorance and prejudice.

The nation's menu must be made up
from the fields, pastures, orchards and
gardens, and to farm intelligently the
farmer must know what is needed.

We must give the same care and
consideration to a system of co-opera-
tive laws, extending to the farmer the
facilities adapted to his business that
is now afforded corporations.

Under the present system of market-
ing farm products, it is possible and
often occurs, that people in one part
of the United States literally starve for
the want of a product, while the same
product in another part of the nation
is wasting for want of a market.
